

FUNERAL BENEFIT FOR JD SALES AGENTS

JD support for your family, in their time of need

**WORTH
R5000**

1. HOW THE FUNERAL COVER WORKS

1. JD has a policy that covers its sales agents for a R5000 funeral.
2. To qualify to be covered in terms of this policy, the sales agent must meet quarterly sales targets set by JD. These quarterly sales targets will be clearly communicated to you by JD for each quarter.
3. Once you have met your quarterly sales target, you will be covered in terms of the JD policy for three months for all death i.e. upon your death, R5000 will be paid to your family as a contribution towards your funeral.
4. At the end of the three months cover, new quarterly sales targets will be set for the following quarter.
5. If you meet another three months sales targets, you will be covered for another 3 months, if not, you will not be covered.
6. Only JD sales agents are eligible for cover.
7. The benefit is at no cost to the sales agent. It is provided by JD.
8. Claims will be paid-out within 48 hours, provided that all the necessary documents are received.
9. No waiting period applies. You are covered from the first day after the end of the quarter within which you have met the sales target, for a period of 3 consecutive months.
10. No benefits will be paid if your death results directly or indirectly from any deliberate, wrongful action or inaction, including suicide.
11. The benefit is only available in South Africa; payable in Rands, in a South African bank account.
