

# We Stand up for Your Legal Rights!

Life is filled with uncertainty and unnecessary stress. Especially if you are uncertain of your rights or how to enforce them. With our 24/7 advice line you have a qualified legal professional just a phone call away.

**AFFORDABLE LEGAL COVER | QUALITY LAWYERS | 24/7 EMERGENCY LINE**

## **Legal advice on Civil (money), Criminal, Labour and Family law matters**

Blacklisting, consumer protection, motor vehicle accidents, provident and pension funds, prescription, debt review, child maintenance, paternity tests, matrimonial property, rights of unmarried biological fathers, protection orders, disciplinary hearings, unlawful salary deductions, victimization, training, unfair labour practices, police statements, etc.

## **24/7 Emergency Arrest Line**

Legal emergencies are not office bound, neither should your help be. We contact the Investigating Office to arrange Police Bail for less serious crimes, assistance with statements, advice on criminal records, criminal defences. Includes a referral to an attorney at a reduced rate for an in Court appearance if requested.

## **Professionally drafted Contracts**

- Last Will and Testament
- Loan Agreement
- Contract of Employment
- Lease Agreement
- Contract of Sale
- Acknowledgment of Debt
- Advice on contracts before you sign

## **Terms and Conditions**

The legal advice line includes 2 x 30 min telephonic consultation per month and the contract benefit 3 x 30 min telephonic consultation per month. Minutes do not accumulate if not used. The legal advice benefit and contract benefit include pre-

existing matters. It is the responsibility of the client to contact Blue Label regarding legal matters. Blue Label will work through the client directly regarding the contract benefit, which includes 3 amendments prior to the parties signing. Benefits are available to the principal client only and not his/ her family members.

## **Did you know?**

a private legal attorney will cost R2 500 on average per 30min consultation.

More than 1.6 million arrests are made each year!

100 000+ cases are referred to the CCMA each year!

More than 10 million South Africans are in arrears with payments.
