POPI act came into effect on the 1st July 2021. POPI act requires business to regulate how information is organised, stored, secured, and discarded. Reris Insurance Brokers ("RERIS") as a business will ensure that it maintains the integrity and confidentiality of its clients and employee's personal information by preventing loss, damage, and unauthorised access to personal data. Reris fully complies with the requirements of POPIA and would like to ensure that all our client's personal information is duly protected and secured.

Reris Information officer

Email: gloria@reris.info

Kind regards.

Gloria Mureri.
